Spare/old clothes

Sometimes in school, children have accidents and we need to change them into clean, dry clothes. We would appreciate any donations of girls/boys pants, girls skirts, boys trousers, girls socks/tights and boys socks.

Thank you!

Reception

This week, we have been reading The Gingerbread Man. We have looked at the different characters and written about them. We even made our own gingerbread men.!

Darwin class thoroughly enjoyed their first trip to Grow Wild in Lloyd Park. They explored, experienced the huge slide, played in tunnels, climbed up blocks and jumped off, went on swings, and played with water and clay.

Thank you very much to the parents/carers who gave up their time to accompany the children on this trip. Your support is very much appreciated and valued. Without your support, these trips would not be able to go ahead.

Year 1

During Science this week, we have been looking at different animals in our environment.

Y2 Head Boy and Head Girl

Thank you for supporting the Head Boy and Head Girl applications. We are very impressed with the high level of persuasive writing and will be holding an election and interviews this week.

Good luck everyone!

We will be announcing WPA's first Head Boy and Head Girl shortly.

WPA PTA

Please come along and meet with the other parents and carers at 9.00am on Friday 24th November and find out how you can help make Christmas a wonderful time for WPA pupils.

Year 2

This week, in Hawking Class, we acted out the story of 'Where the Wild Things Are' by Maurice Sendak. The children came up with brilliant actions to demonstrate the different characters and scenes and had great fun while doing it. Budding superstars in the making!

Attendance Matters!

Too many absences, excused or unexcused can keep students from succeeding in school and in life. Come to school every day
